European insurers and reinsurers have until 31 October 2012 for Solvency II to address detailed implementation measures that will lead to a new global standard — or at the very least a significant benchmark that will transform the way business is conducted and act as a barometer for other Insurance centres such as the Middle East. With the recent financial crisis, Ernst & Young will seek to support a debate on the pros and the cons for the Middle East Region to adopt and improve on matters moving forward. Leader: Justin Balcombe, Insurance Leader and Director - Advisory, Ernst & Young, Doha</p>
